NOTICE OF PROPOSED RULE MAKING

Adopted: October 15, 1997;

Released: October 24, 1997

Comment Date: December 15, 1997

Reply Comment Date: December 30, 1997

By the Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by Gary G. Kidd ("petitioner"), proposing the allotment of Channel 244A at Colchester, Illinois, as the community's second local FM transmission service. Petitioner states his intention to apply for the channel, if allotted.

2. We believe the proposed allotment of Channel 244A at Colchester, Illinois, warrants consideration since an interest has been expressed for an additional local FM transmission service. An engineering analysis has determined that Channel 244A can be allotted to Colchester in compliance with the Commission's minimum distance separation requirements with a site restriction 13.2 kilometers (8.2 miles) southwest to avoid a short-spacing to the construction permit site of Station KRNQ(FM), Channel 242C2, Keokuk, Iowa.¹

3. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

¹The coordinates for Channel 244A at Colchester are North Latitude 40-21-48 and West Longitude 90-55-41.

<u>City</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Colchester, Illinois	281A	244A, 281A

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before December 15, 1997, and reply comments on or before December 30, 1997, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, his counsel or consultant, as follows:

(Petitioner)

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Sharon P. McDonald, Mass Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service

requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
